In certain cases where more than one grant application is voted by the Grant Committee as deserving of receiving funding, the total grant allocation of \$25,000 may be divided between multiple deserving applications (up to three maximum per grant). As The Explorers Club - Eddie Bauer Grants are intended to function as complementary support, applicants are encouraged to seek additional, concurrent funding from other funding agencies.

Grant Restrictions

Funds may not be used for travel to scientific/professional meetings or conferences, legal actions, land acquisition, endowments, construction of permanent field stations, or publication of research results.

Grant recipients are expected to provide The Explorers Club and Eddie Bauer with a report of their project.
